Terry Gerber

Dickie keeps bumping my arm so forgive my writing.

Terry,

Redly, I don't know where to start. There's not too much that I could say that would stand out in your mind as it would and as it did when "someone else" wrote it. There are lots of things we did that I will always remember though. I remember the first time we went out. I was so happy to finally get a date with you after trying so hard for so long. We went out quite a bit off and on between Gay and Becky and of course, Cindy. We've had our disagreements, but somehow, we're not enemies. I was so happy the weekend I went with you to meet your family. I thought everything was fine. I guess it wasn't! I'll always remember the two solid weeks we spent together. (Last night). One night we spent putting chickens in the school, or at least trying. I'm sure was a mix-up this year wasn't it? Well, all learn to get our dates later next year! It's too late now! It seems like everytime we get together, we're both put in a big mess. Oh, well, it's more fun that way. It looks like my page is gone so I'll close. I'll sure miss you this summer while I'm gone, and while you're at school. I hope you'll come and see me some! I'll always be here! Good luck in everything, and I hope you get all you want. Love,

Connie "69 (1 BEST YEAR!)

DONOVAN HIGH SCHOOL

DONOVAN, ILLINOIS

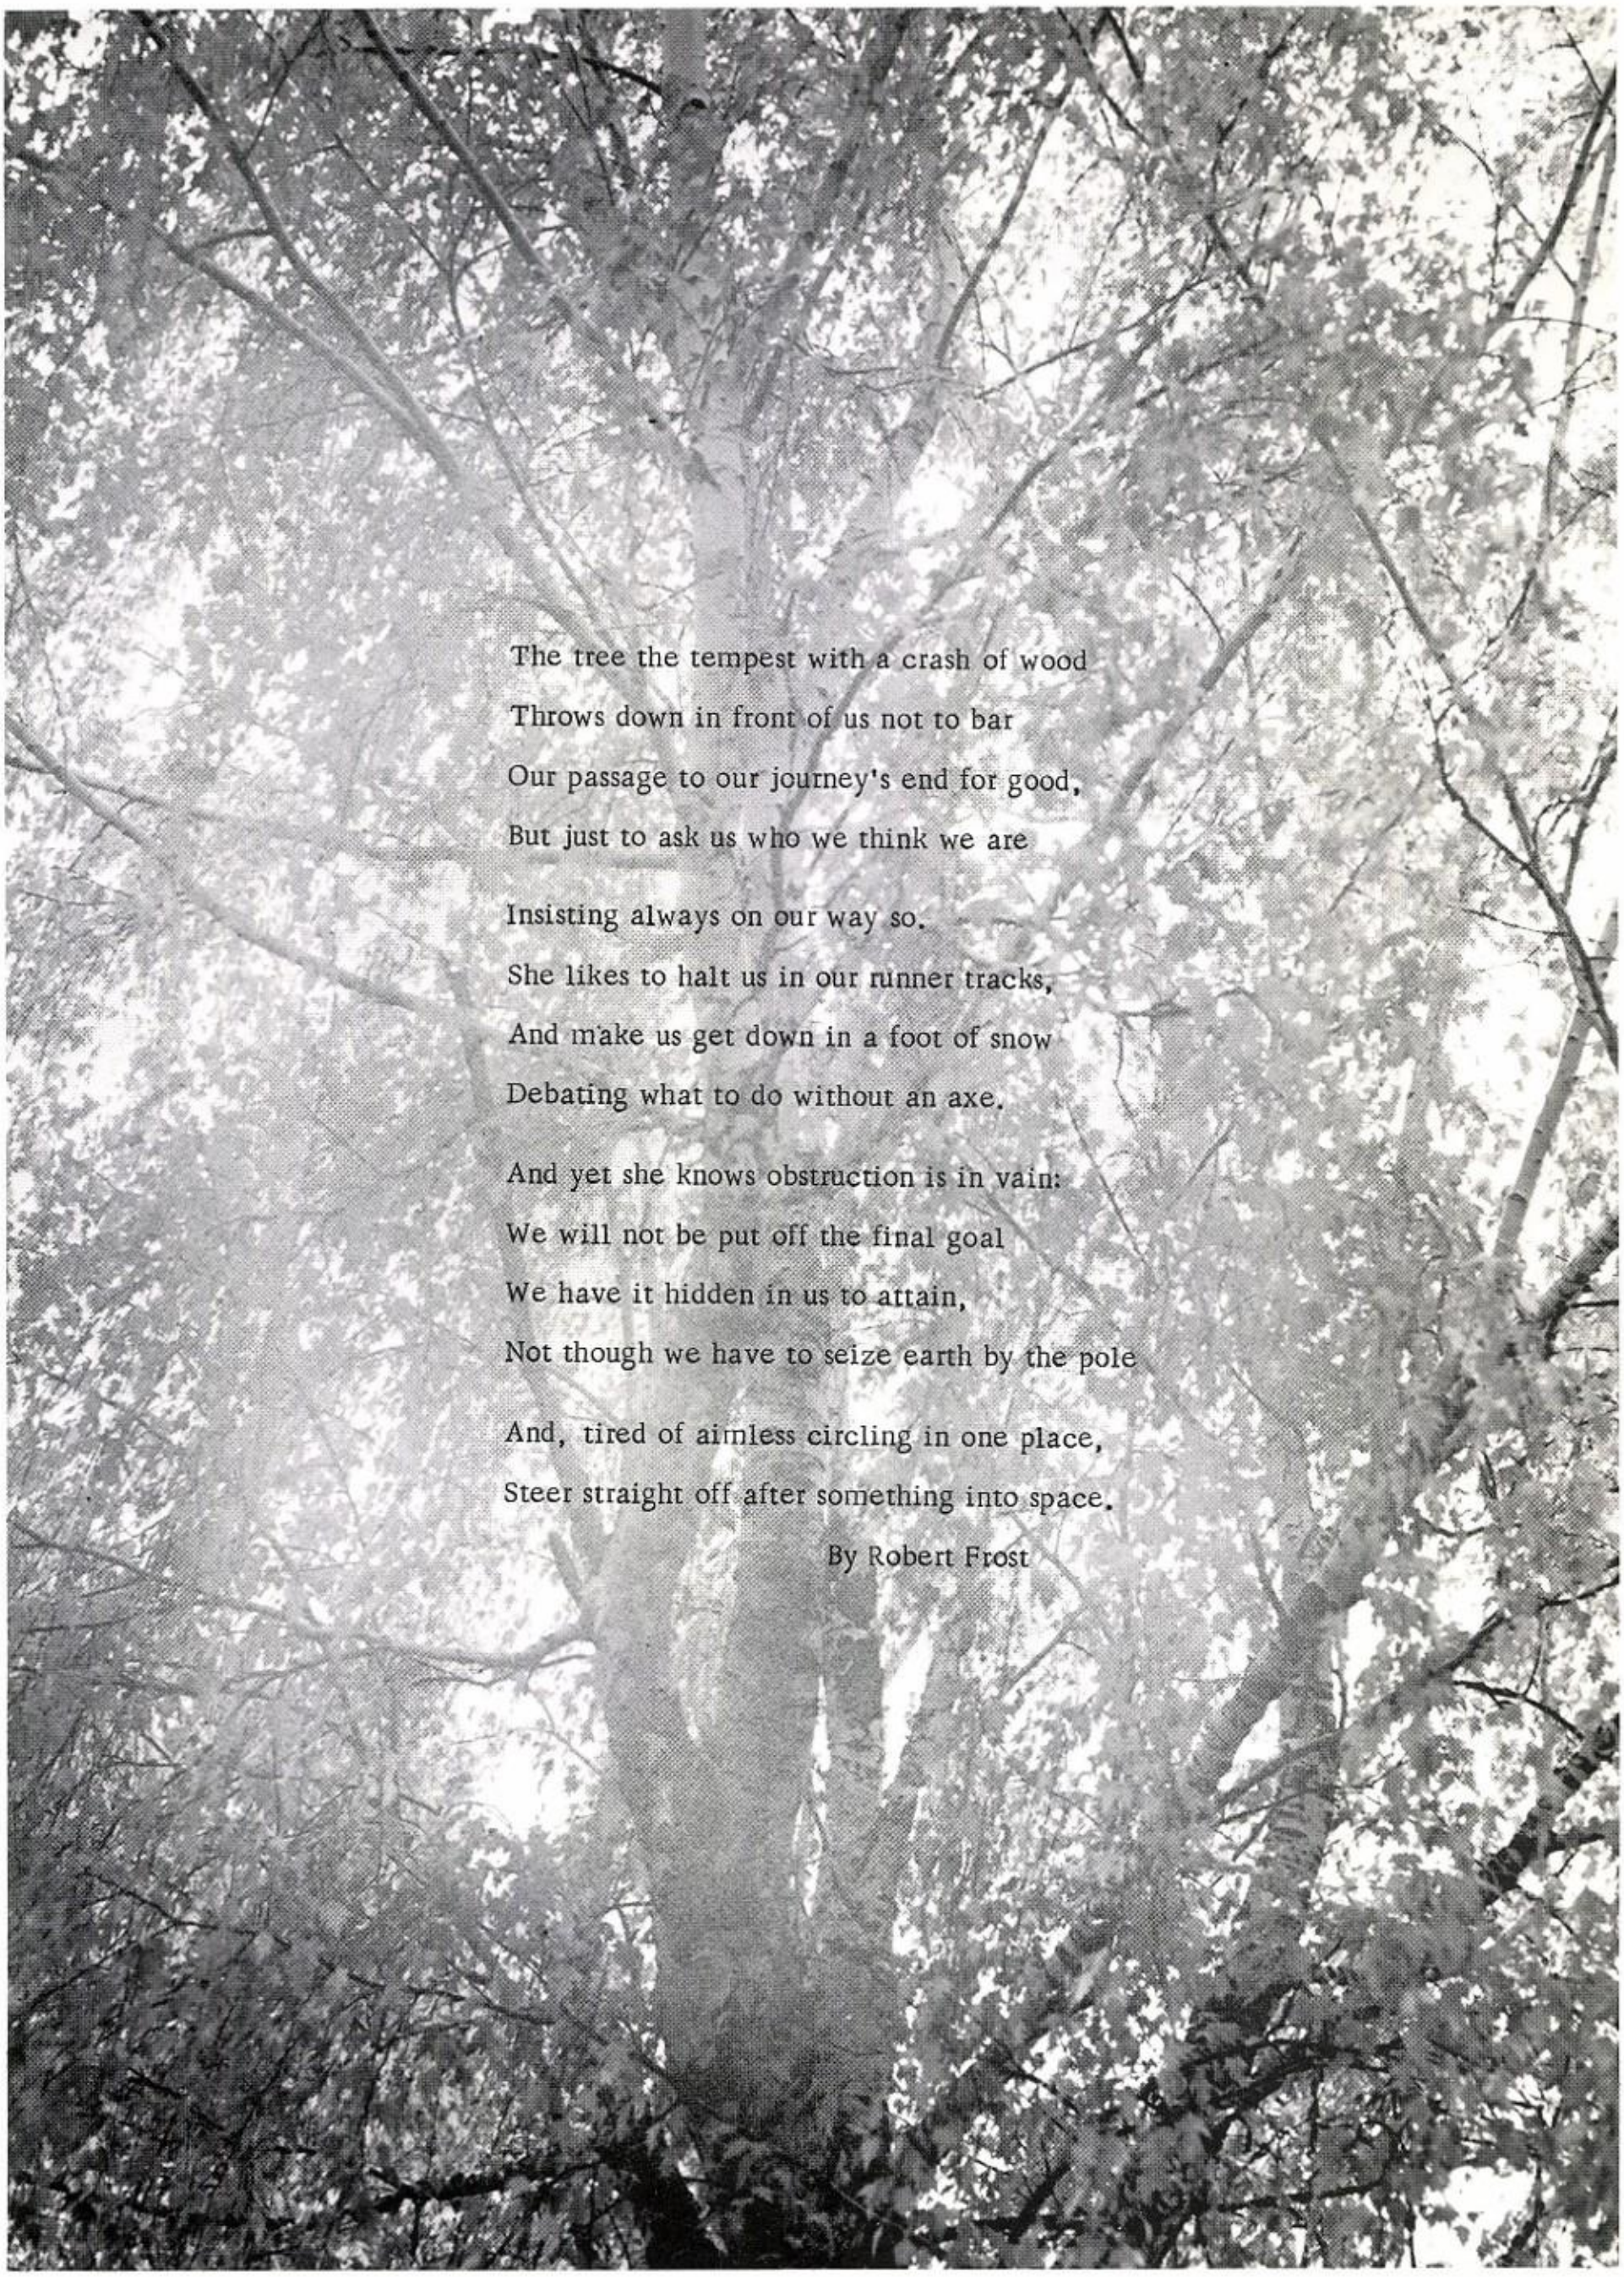
We Hereby Dedicate

We dedicate our yearbook to the millions who have and are now serving our nation in the armed services, and to their fathers and mothers who proudly, but with heavy hearts, bid them farewell at the train stations across this vast United States of America.

These parents are proud because they know they are making a payment for our way of life and the freedom we have. They know their son will not shirk in time of stress or danger and that he will conduct himself like a man.

Yet with a heavy heart, because they know the little lad crying to Mother with a splinter in his finger, has passed forever from this world and in his place stands a man with a rifle in his hands. They know, too, that their son may be called upon to make the supreme sacrifice or return maimed for life.

Yes, to these boys and their mothers and fathers, we, the Donovo staff of '68, humbly dedicate this annual as a token of our appreciation.



The tree the tempest with a crash of wood
Throws down in front of us not to bar
Our passage to our journey's end for good,
But just to ask us who we think we are

Insisting always on our way so.
She likes to halt us in our runner tracks,
And make us get down in a foot of snow
Debating what to do without an axe.

And yet she knows obstruction is in vain:
We will not be put off the final goal
We have it hidden in us to attain,
Not though we have to seize earth by the pole

And, tired of aimless circling in one place,
Steer straight off after something into space.

With an enrollment of forty-seven members, the Class of '68 began their high-school career with Mr. Linard Kessinger as our sponsor. Leading us were Harold Loy, President; Louisa Schultz, Vice-President; Ilean Tunks, Secretary; Gay Hertz, Treasurer; Wanda Bossong, Reporter-Historian; Corky Askew, Photographer; Vicki Stephenson and Bill Boudreau, Student Council members.

Louisa Schultz led our class as President backed up by Cheryl Wendel as Vice-President, Cindy Cordes as Secretary, Dave Whitson as Treasurer, and Paul Carlson as Photographer. Terry Gerber and Bonnie Langellier represented us on the Student Council.

Our Junior year began with the arrival of class rings. Harold Loy returned to lead our class with Linda Merhley as Vice-President, Gay Hertz as Secretary, Wanda Bossong as Treasurer, Marsha Preisser as Reporter-Historian, and Barb Arseneau as Photographer. Terry Gerber and Bonnie Langellier again represented us on the Student Council. The Junior Play "Professor, How Could You!", was a great success. "Shangri-La" highlighted the year with beautiful decorations, soft lights, and dreamy music.

Our Senior year commenced with the election of officer. Those elected were Larry Frye, President; Harold Loy, Vice-President; Louisa Schultz, Secretary; Cindy Cordes, Treasurer; Barb Arseneau, Reporter-Historian; Bonnie Langellier and Terry Gerber, Student Council members. Emily Nelson joined our class from Aurora.

The Senior Class was well-represented in extra-curricular activities. Wanda Bossong was editor of the Donovo and President of F.T.A. Louisa Schultz was editor of the Donogram and also President of the band. Larry Frye was President of the Student Council. Beta Club, Speech Association, and F.F.A. were led by Harold Loy. Bonnie Langellier guided the Pep Club through its first year. Gay Hertz successfully led the F.H.A. through its 22nd year at D.H.S. Marsha Preisser was the successful leader of the Library Club. The second year of the "D" Club was presided over by Terry Gerber. Marsha Preisser and Wanda Bossong were elected to their third year as cheerleaders. Four seniors, Bill Boudreau, Paul Carlson, Larry Frye, and Vince Martell, represented the class on the varsity basketball squad. Five senior boys lead the Wildcats to second place in the conference: Dave Askew, Bill Bondreau, Paul Carlson, Terry Gerber, and Vince Martell. The seniors on the track team were: Bill Boudreau, Paul Carlson, Larry Frye, Vince Martell, John McDonald, Richard Munson, and Harold Loy, manager.

"Walking Down Wildcat Lane", the theme of 1967's Homecoming, was reigned by Queen Louisa Schultz with Barbara Arseneau and Cindy Cordes in her court.

The class colors, yellow and white, and the yellow rose set the stage for May 29th's Graduation. A Greyhound bus took the seniors to Washington, D.C. on June the second.

Golf is a game in which a ball one and half inches in diameter is placed on a ball 8,000 miles in diameter - the object being to hit the small ball but not the large one.

It is a game recently introduced as a new varsity sport at Donovan High; and, under the direction of Coach Randy Swikle, has attracted the talents of several student duffers.

Journeying from course to course, the golf squad concentrated on the development of experience - experience which the new golf squad lacked.

Pep Club

It all began with a need for increased school spirit and sportsmanship and that is exactly what Pep Club ended up with after completing its first year at Donovan High School.

Pep Club activities are mainly limited to participation at the basketball games and pep rallies but the club did sell Homecoming badges. The profits of the badge sales went to buy a black and gold Donovan Wildcat banner which is now on display in the gymnasium.

All in all, Donovan High School Pep Club had a successful year and has high hopes for the coming years.

The number "5" is the magic number for the newly organized speech club. When a student acquires 5 points through work in various plays or individual events for contest, he can then become an active member.

The officers for the club this year were: Harold Loy, President; Kris Langellier, Vice-President; Marsha Preisser, Secretary; Scarlett Peerbolte, Treasurer; Barbara Arseneau, Student Council Representative; and Mrs. Daschner, Advisor.

Ten persons were selected to compete in the individual events for District Contest held at Pontiac, Illinois on February 17, 1968. The students participating were: Cheryl Arseneau, Becky Bohn, Beth Boudreau, Dale Burchby, Debbie Davis, Brenda McCullough, Kris Langellier, Marsha Preisser, Becky Stuckey, and Cathy Tebo.

Seven students were chosen for work in the contest play, "Cry of Crows". They were: Marsha Preisser, Larry Frye, Dave Sennett, Connie Orr, Alan Nourie, Patricia Easter, and Colleen White.

Other plays presented by the speech club and speech class were a Christmas play for the student body, a children's theater play for the Unit and a series of one acts for the public in the spring.

Members of the speech club journeyed to Manteno for the Manteno Invitational Speech Contest. There our club received one first and three third place ribbons.

This year the Donovan Chapter of the Future Homemakers of America was slightly larger than previous years. Sixty-two members were affiliated with the national organization.

The year started with a Record Hop and a Bake Sale in October.

In December, the girls accompanied by their mothers, went on a Christmas shopping trip to Korvettes and Park Forest. On the way, they stopped at the Fortin Villa to deliver Christmas gifts to all the children.

The annual Tot Party was changed this year. Because of health interests, only those girls in the third and fourth year Home Economics classes could bring tots. Entertainment for the tots was provided by the speech class and the appearance of Santa Claus.

With February came the Sweetheart Ball. The FHA selected their King and the FFA selected their sweetheart. Also in February the girls sent valentines to children at the Fortin Villa.

The election and installation of new officers concluded the year.

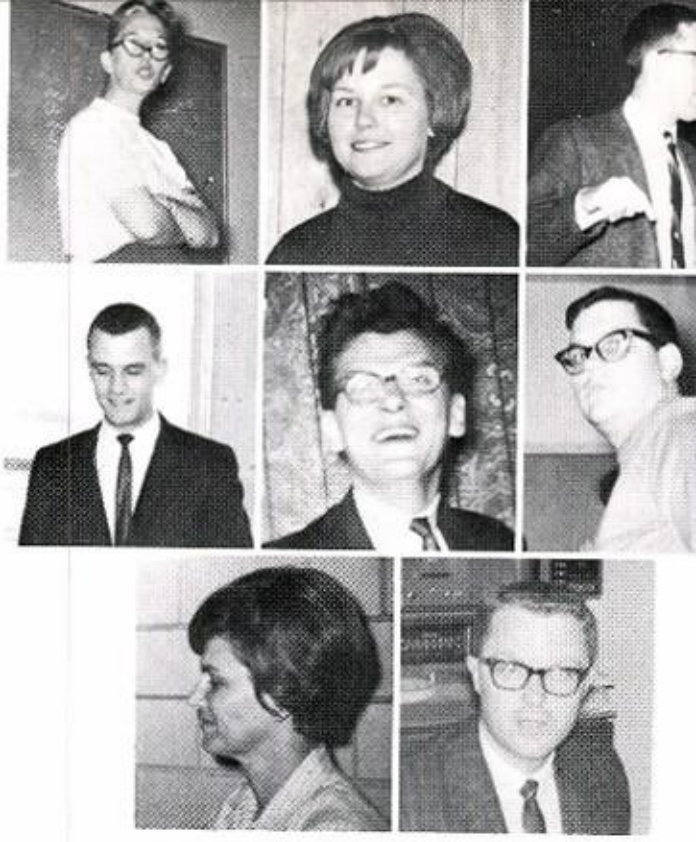
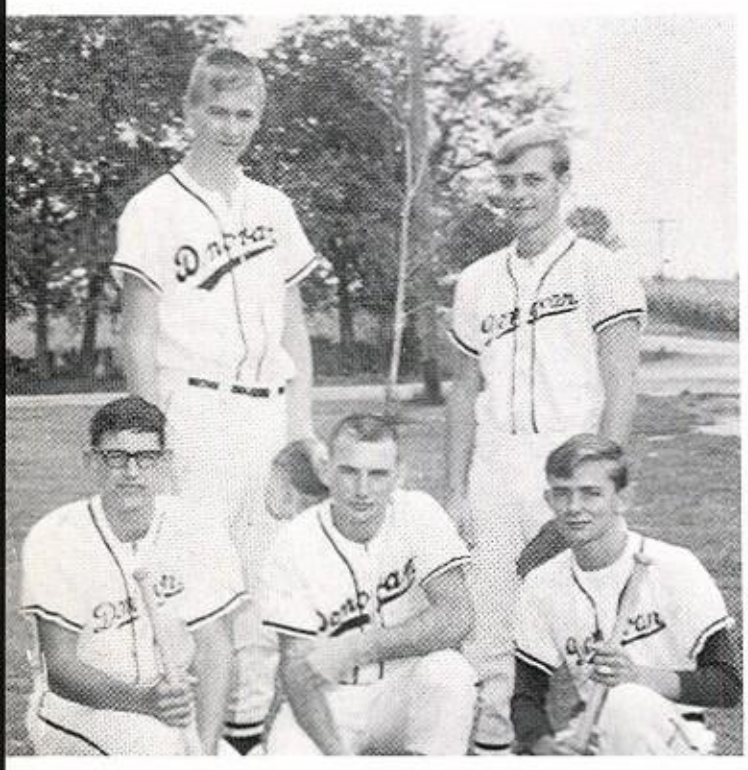
Activities

AUGUST

The fifteenth of August was the day the Freshmen and Sophomores signed the roll,
Registering of Juniors and Seniors was August 16th's goal.
First came the Freshmen, totaling fifty-one,
Looking forward to a year full of mischief and fun.
Next came the Sophomores with the biggest class of all,
Their sixty-two members were crowded in the hall.
Then came the Juniors with fifty-three in number,
Who, by this time, have learned they cannot slumber.
Last, but not least, the great and mighty Seniors appear,
With all forty-four members hoping to make this their greatest year.
With the student enrollment of two hundred and nine,
To make this school year great was the dream of Mr. Crumrine.
With the addition of Mrs. Sullivan, Mrs. Sanders, Mr. Swikle, Mr. Hancock, Mr. Dyduch, Mr. Vaughan, and secretary, Mrs. Faupel,
Donovan High School's faculty is complete,
And the goals they set, all will strive to meet.





SEPTEMBER

September was a month full of many pleasant things;
The baseball team's great victories, the Juniors long-awaited rings.
Each class met using Parliamentary Procedure,
The purpose of the meeting was to elect their leader.
Larry, Kris, Kay, and Laura were chosen to rule,
In hopes they would try to make this the greatest school.
Magazine subscriptions the Junior class did sell,
And when they were completed, they found they had done quite well.
Sheldon met with our great baseball team.
And they lost 8 to 6, on September 15.
Second in Conference is what the Donovan Wildcats won,
Everyone is proud of what our team has done.
To the Farm Progress Show the F.F.A. boys did go,
They trudged through the mud to learn things they did not know.
The F.H.A. girls sponsored a record hop;
With the profit they made, they came out on top.

OCTOBER

It's October and the students have welcomed fall,
For it will bring a month full of activities for all.
To choose the style and color of the annual, the DONOVO staff did meet.
Their main desire is that all deadlines they will strive to beat.
The Sophomore class sweatshirt sales advanced to a great start,
Because they all wanted to make a profit, each did his part.
With the end of the first six weeks, report cards were mailed,
Many students had received good grades but a few had failed.
The Junior play cast was chosen and practices did start,
Miss Carlson is hoping that each will learn his part.
The Freshman class sponsored a Hobo Day;
That it was a success they are happy to say.
Giving a dollar to buy an ad, the patrons all consented,
For with their help and the staff, the first Donogram was presented.
The Senior class met to choose the color of their caps and gowns.
All members are awaiting the day when the last bell sounds.
The F.H.A. girls had a bake sale which was a great success,
With the contributions of the members, they did their best.

NOVEMBER

November was the month for making many dicisions,
The Seniors planned their trip, making many revisions.
The Junior Class gave their play "Pick-A-Dilly" with zest,
Everyone enjoyed it; "twas termed a great success.
With the backing of the Pep Club and the mighty Wildcat's skill,
Our first basketball game was a victory - to win the rest we will.
The Senior Class held a Fun-Night which was a great success,
The games were loads of fun and the entertainment the best.

DECEMBER

On December one students were temporarily free from woes,
For another six weeks of studying had finally come to a close.
On December 5 some Senior girls took the Betty Crocker test.
To see which girl at homemaking, would be the very best.
Thursday night there was a bon fire and snake dance in the dark,
Our school spirit must have helped because we slaughtered Cissna Park.
The theme of the Homecoming Dance was "Walking Down Wildcat Lane!"
At the end of the evening, it was learned Queen Louisa would reign.
School dismissed for Christmas vacation - holidays were fun,
The true meaning of this special day was felt by everyone.

JANUARY

Another new year has come our way - its name is ninteen sixty eight,
All are looking towards the future; graduating Seniors cannot wait.
And suddenly - Oh No! - it can't possibly be true,
The third six weeks is over - the first semester's through!
This was the month the Sophomore skill was really put to test,
To try to make their Fun-Night become the very best.
Tore down to Milford, and gave them a great fight,
And then we took on Central, a rather bad night.
The Beta Club expanded and threw out its mighty chest,
Took in those with markings which were the very best.

FEBRUARY

Abraham Lincoln, a man of inspiration,
Led a drive to freedom to strenghten our nation.
Illinois calls him her native son,
And in his honor, a vacation day one.
Valentine's Day and sweethearts abound,
A "Special" candy box is not passed around.
The F.F.A. and F.H.A.,
Gave a Sweetheart Ball that Saturday,
Dave Askew was F.F.A. King,
Sweetheart, Gay Hertz, the prettiest thing.
And on that eventful day,
Mrs. Daschner came back with students gay.
Second in the district in the many speech events,
The play was third - the happy gents
And the ladies rejoiced as did all the rest;
Vowing that next year we'd be the best.

FEBRUARY

February 19 was not a lark or a mere jest,
For Seniors taking the U.S. Air Force Aptitude Test.
Basketball ended at Buckley-Loda this year,
Wanda and Marsha gave their Wildcats' last cheer.
And the end of the season gave reason to mince,
For Larry and Paul - to Bill and to Vince.
The National Merit Scholarship Tests about now,
Started Juniors thinking of the future - And how!

MARCH

Did March come in like a lamb or a lion?
Who had time to notice when all were tryin'
To end the six weeks that particular day,
And wish all good luck at the Sectional play.
That came on the ninth after an assembly
For Northern Illinois Gas. Girls started to get trembly,
As they considered asking a boy to a dance.
Beta's Sadie Hawkins left some boys in a trance.
Their beautiful girls were dressed in such style,
They pondered - should they laugh or just give them a smile?
The Constitution test must be passed,
No Senior wishes to be the last.
Ran up the score at the Clifton-Central Tourney,
On to the Regionals, for some a long journey.

APRIL

Ran and jumped and vaulted away,
At Milford's track meet we were gay.
Harbinger of spring and summer the same,
On April the ninth the first baseball game.
The six weeks ends before Good Friday,
New sox for the boys, new hats for milady.
Easter vacation is so lovely and cool,
And Seniors ponder the end of school.
And the Senior play "Space Ship Ahoy",
Savoring the last few days with joy.
Then melody sprang from room to room,
And the big bass drum goes boom! boom! boom!
The time of the concert was firmly fixed,
In April; "twas the night of the twenty-sixth.

MAY

Dance and sway, be very gay,
The Junior-Senior Prom occurs in May.
Buy your gown, order a corsage,
Wash your car out by the garage.
Never such a night in all four years,
Millions of smiles and a few little tears.
Sooner than you know "twas the last, last test,
And someone you once shunned you now like best.
Baccalaureate that strange solemn occasion,
And graduation with great elation.
But all is not over, the Seniors cry,
"Up, up, and away and high in the sky".
The Senior class of sixty-eight,
Thought their trip was really great.

Jerry,

Im not sure where I should start but maybe someday (when we have our little talk) I'll be able to tell you everything that I can't say here. Your a real neat guy and if I hadn't fallen for someone else a long time ago I certainly would have fallen for you as Sandy and Cindy did. But just because it can't be that way doesn't mean that we still can't get together! Right? Remember the time when you and Paul sold those books (Astronaut books) for our good cause. And Im sure not to miss our little trip up and back from "U.S. 30". Don't forget my favorit song "I'd like to get to know you." Be good and try to stay out of trouble. Ha Ha I wish you the best of luck and hope you get every thing you want. (well almost everything)

Luv,
Kay

Jerry
Well I'm writing something to a real nice kids who something gets in problem when he is in school. I do remember all fun we had this year. I don't any senior class could match us, because did alot of thing we should not of did. I like one, is something that didnt smell so good. Another one is like the heat we had. Do you remember that one night over my place when you play over night. If that is one night I wont forget for a little while, because I did feel so good after words. Well Jerry you findly made it. Which I didn't think that you would. Be good this summer and stay of Trouble, I will see this summer.

P.S Remember those pairs this year.

Terry,

I'm finally getting around to your book. First of all, I want to wish you the best of luck in everything you do. We really had alot of fun with you, and I'll never forget you — even if you did stand me up once. Remember that day you took your folks car before you had your licence and came to Beaverville? I'll never forget that! I felt so dumb sitting in the car when your dad pulled up. I didn't think your parents would stick to that one year of grounding. I only wish I hadn't been so stupid then. If I had it to do all over, I would do it all different. Well, I guess maybe I said a little too much already, but I mean everything. I'll sure miss seeing you around school next year, even though I doubt if you'll miss me. I'll be glad when I get out of here too. A whole year left. It seems like such a long time, but maybe it will go by fast. I hope so. If you're ever riding around in "Frog Town" with nothing to do, stop in and see me. I hope I see a lot of you this summer. Stay out of trouble and be good to all those girls.

Love ya,
Debbie

Jerry,
Gee, everyone seems to have alot to say to you. Must be nice to be so popular! Even though you might think that I'm crazy, I have enough sense to know that you are a great guy- its just that you get yourself into too many wrong places!! Oh well, I know how it is! Good luck, Jerry. Be good? And remember me. (How could you ever forget!) May all your dreams come true in life.

A friend always,
Cher

Jerry,
I hope you don't care if I write in your book. I will anyway. Well, Jerry the times I went out with you were great regardless of all the disagreements we've had.

Someday, Jerry, I hope you get yourself straightened out and the "right" girl will come along and make you happy.

You see when I was going with you my mind was somewhere else as yours was, too. For a while I thought you had made me forget "him," but of course it didn't turn out that way, because I'm still just as stuck on him as before. My situation is almost as hopeless as yours.

I hope my talks to you have helped you. Maybe someday you can talk to me and make me realize that I can't go with who I want, either. (Do you know who it is?)

Best of luck to you, cuz your a good guy.

Yes, we can be friends. Someday I'll tell you about "Nina."

Love,
Bec

Jerry,
There's not much room left here to write and not much left of what once was for us.

As I read the pages of this book it sounds like (Peyton Place) so I'm sure not going to add more to it. Hope you finally get straightened out someday, and get what you want out of life.
Good luck.

Sincerely

Terry, I
Gee. I
really know
where to start,
well, its really
been great just
knowing you. To say
the least of our
last years
together
has been
fun. I
guess
I've
always
wished
you'd
remember
us
as
being
the
best
of
friends.
Our
Senior
year
has really
been
a
blast.
Both
of
us
have
had
a
lot
of
fun
and
I
guess
we've
had
our
share
of
troubles
too.
Well
I
guess
that's
all
for
now.
Just
remember
to
study
hard
and
stay
out
of
trouble.
Good
luck
to
you
always.
Be
a
little
bit
good
if
you
possibly
can.

Best of luck to a real good
guy, who I've really enjoyed
getting into trouble with. I'll
never forget the times we
used to skip, and drink dinner in
the car. We didn't get together
very much this year, but we'll
until this summer. Will really
raise all sorts of HELL

Jerry,
Do a real
tough guy. Well,
maybe that doesn't
sound too right. I mean
good looking and neat. I just
doesn't seem right that this is our
last year at DHS; it's sad when I think
this will be the last time all of us will be
together. Be good at school next year.
I know you and Paul are still going to the same place.
this summer, and try to stay out of trouble - anyway
don't get caught. Best of luck to you, Jerry. You deserve
the best. I hope you get everything you want

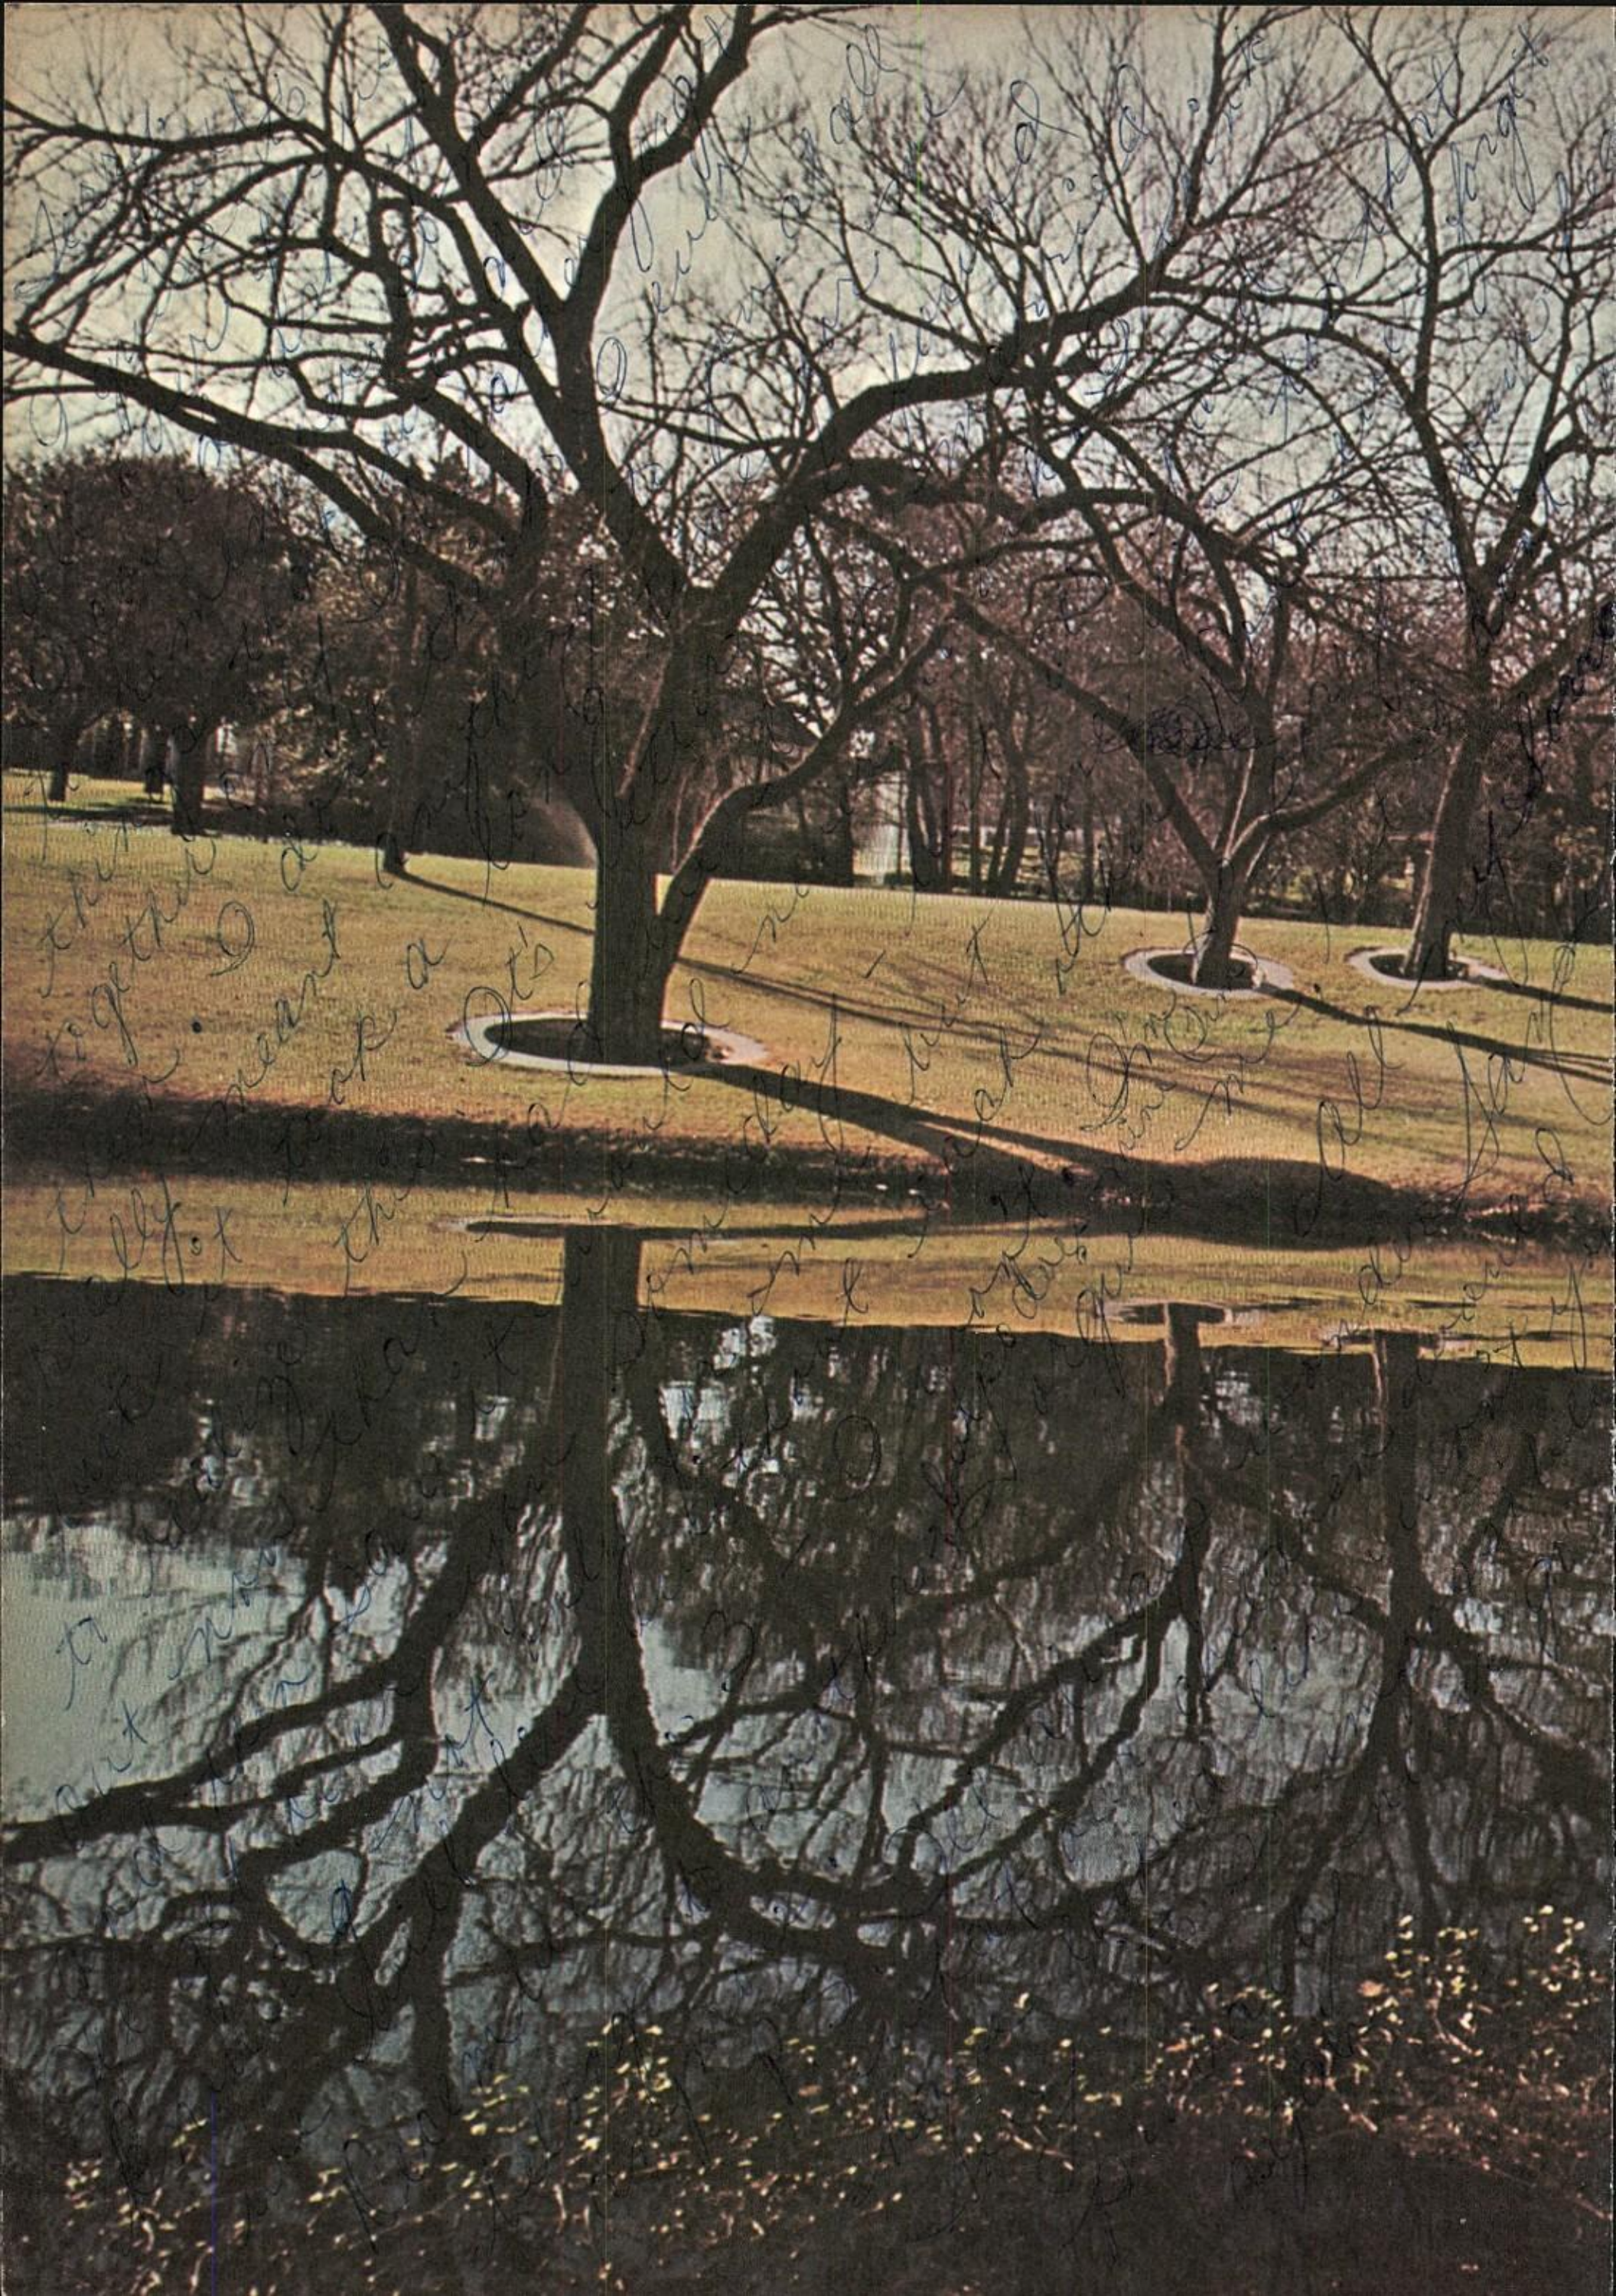
"Terry,"

I thought Id start back here so I won write as much and let all the "other" "girls have some room to write.' I suppose I should start out by saying how much F — U — N Donovan was with) You there. Being this "Is" our last year I can bring back some wonderful memories. The first of many is the day we met (at the) at the Martinton Grade School at one of your basketball games. That day I believe I fell in "love" with you. "You" were the neatest guy I had ever set my eyes on. Remember all the times you came out to see me and we did our homework together. HA HA Also that day you and Gary were riding our pony and you split your pants and I was going to sew them up but your dad came looking for you. I bet you will never forget the time Patti turned off the keys on the railroad tracks, I know Ill never forget! Do you remember that time we went to a party in Watseka with Gary and Raymond and we found

out it was a slumber party. I believe I'd to miss all those times very much. It just doesn't seem right that we should be graduating, does it? I really I can't believe that my high school years are over. But they are! The most important thing I'll remember of all those years will be, of course, be "you." It was really great to have you there to talk to and mess around with. We did a lot together in those few years, some of the special ones were being marshals together for graduation last year and walking together for the Love and Beauty Court, which I arranged and many others in which I'd have to write a book to get them all in. What I remember most right now is last October when I started going out with you again. I really had a great time with you then and I'll never forget all the time "we" spent together. Remember that show we seen "I a woman" and the expressions on Kathy and Dennis's face. What a show!! I think


the best show we seen was "To Sir With Love." That was really great! Also, don't ever forget Paul's party and afterward, too. Paul sure is a great guy and I kinda felt sorry for him and Bonnie when we use to stick them together when we wanted to be together! I wonder what would of happened if Paul and Bonnie started going together the same time we did? That sure would of been great! That was the good ole' days and pretty soon those days we be in the past. We will both be facing two different phases of life. You will be entering a whole new world, full of freedom and adventure. I hope you will be happy in what ever you do. I know you will have a wonderful future ahead of you so I don't have to wish you any any good luck. I just hope you find what you want in life. You know I'll always be thinking of you.
